ABOUT AASHI RAINWEAR

Manufacturing Excellence Since 1998

Established in 1998, Aashi Rainwear has grown into one of India's leading manufacturers and exporters of rainwear, winterwear, safety wear, bags, and packaging solutions. With a strong manufacturing presence across Gujarat & Rajasthan, Aashi Rainwear operates through advanced production facilities supported by modern infrastructure, skilled professionals, and a commitment to quality.

Backed by over 28 years of industry experience, a workforce of 1,000+ employees, and a manufacturing area exceeding 1,90,000 sq. ft., Aashi Rainwear continues to serve customers across domestic and international markets with reliable, innovative, and high-quality products.

Driven by customer satisfaction, continuous improvement, and ethical business practices, Aashi remains focused on delivering solutions that combine durability, functionality, and value.
